In your absence we will request from the person with your child for some form of photo ID for comparison to your child's patient profile that you have completed giving specific persons permission for Consent for treatment and Patient Health Information. If the person with your child is not listed on the Patient Profile, our office will be contacting you. 2. Current Information

As a patient at Jeffers, Mann, and Artman Pediatric and Adolescent Medicine, P.A./Clayton Pediatric and Adolescent Medicine, you are required to notify our staff of any changes in your patient information, such as insurance, benefits, employer, patient name, home address and/or contact numbers. You will be asked to present your current insurance cards at each appointment.

3. Payment at Time of Service

If your insurance plan requires you to pay a co-payment, it will be collected during check-in. Patients that fail to bring their co-pay on two or more occasions may be required to reschedule their non-urgent appointment. If you are a self-pay patient or your insurance information cannot be verified prior to your appointment, you will be required to pay in full at the time of service. If your insurance plan requires payment of an annual deductible and/or co-insurance (i.e. 80/20 plans), payment will be calculated and due at check out. We accept cash, personal checks, mastercard and visa. Patient payment plans are also available if needed. Payment plans are available by contacting our billing office prior to your appointment.

4. Claims Filing

As a courtesy to our patients, we file claims with your insurance company and also coordinate benefits with secondary payers. You will be responsible for timely payment of any patient balances as directed by your insurance. You will also be responsible in the event that the claim is disputed or unpaid.

5. Patient Billing and Collections

Patients that receive a statement from our office are expected to remit full payment upon receipt, unless previous payment arrangements were made with our billing office. If your account must be referred to an outside collection agency for non-payment, a fee will be added to your account to cover the expense incurred from the agency. The percentage varies based on the age of the outstanding balance. Patients in collections must make payment arrangements prior to scheduling another appointment with our office. **If you receive a billing statement that you do not understand, please contact our office for assistance so that the account can be resolved.**
